

Business Consultant Commission Proposal

Join Our Network of Service Entrepreneurs!

We are looking for successful service-based business owners to provide aspiring service-based business owners with group zoom consultations and hands on training.

Earn money to be a business consultant with The Service Guy Network!

Earn \$250 for a 90-minute group zoom consultation.

Earn \$250 for a day of hands-on training.

You will also be provided an exclusive affiliate links to earn additional commissions.

Earning Potential

Understanding that you are running your own service business, we estimate 2 group consultations and 2 hands-on training sessions per week.

This would generate an additional estimated monthly income of \$4,000.00.

In addition, you also have the potential to earn an estimated affiliate commission between \$250 and \$500 per month.

After 3 months as a consultant an additional affiliate link can be used to earn an estimated \$100 to \$500 per month.

Total Earning Potential

As these numbers are estimates your commission potential may vary. We estimate your earnings to be between \$2,000 and \$5,000.00 per month.

We would love to have you as a consultant inside of our network! We look forward to a lucrative partnership where we can earn money while helping others realize their dream of business ownership.
